Spotlyts Magazine has released its [June 2025 edition](#) for pre-orders ahead of its official global launch on 8 June 2025. With a focus on practical approaches to making a sustained impact across personal, professional, and societal domains, the issue brings together contributions from professionals across a range of industries, including healthcare, law, business, science, and community development.

The cover feature spotlights Dr Pooja A. Patel, an occupational therapist and consultant specialising in proactive ageing strategies. Her insights centre on practical planning around mental and physical wellness, particularly in later life stages. Dr Patel outlines structured steps individuals and families can take to manage transitions in health, ageing, and long-term care with informed decision-making.

In addition to Dr Patel, the issue features commentary and interviews with doctors, lawyers, CEOs, founders, award winners, and other sector leaders who share evidence-based perspectives on cognitive health, impactful leadership, and the daily practices that support long-term effectiveness.
